

Can Unarmed Civilians Break the Siege of Gaza?

Yes they can!

Paul Larudee of The Free Gaza Movement will tell the amazing story of how in August of 2008,

46 unarmed civilians of 5 religious faiths from 17 different countries left Cyprus in two small boats to break the cruel and inhumane siege that no government or power in the world was able to break. Thousands of jubilant people lined the shores of Gaza to welcome their first international visitors by sea in 41 years.
